

## DECLARATION, POWER OF ATTORNEY AND PETITION

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name, that I declare that I am the inventor of the invention entitled: A REMOVABLE BRASSIERE CUP SUPPORT which is described and claimed in the attached specification.

That I verify believe that I am the original, first and sole inventor of the invention described and claimed therein; and say that I have reviewed and understand the contents of the specification thereof, including the claims and drawings, that I do not know and do not believe that the same was ever known or used in the United States of America before my invention thereof or patented or described in any printed publication in any country before my invention thereof, or more than one year prior to this application, or in public use or on sale in the United States of America more than one year prior to this application, that said invention has not been patented or made the subject of an inventor's certificate issued before the date of this application in any country foreign to the United States of America on an application filed by me or any legal representatives or assigns more than six/twelve months prior to this application, that I acknowledge my duty to disclose information of which I am aware which is material to the examination of this application in accordance with 37 CFR 1.56(a), and that no application for patent or inventor's certificate on this invention has been filed by me or my legal representatives or assigns in any country foreign to the United States of America except as follows:

And I hereby appoint MYRON AMER, Reg. No. 18,650, my attorney with full power of substitution, association and revocation, to sign the drawings, to prosecute this application, to make alterations and amendments therein, to receive the patent, and to transact all business in the Patent Office in connection therewith. Please address all correspondence to:

MYRON AMER, P.C.  
114 Old Country Road  
Suite 310  
Mineola, NY 11501  
(516) 742-5290

Whereby I pray, that Letters Patent be granted to me for the invention described and claimed in the foregoing specification and claim, and I hereby subscribe my name to the foregoing specification and claim, declaration, power of attorney and this petition.

Figure 1 is a phylogenetic tree showing the relationships between 16 isolates. The tree is rooted at the bottom and branches upwards. The scale bar at the top indicates a distance of 0.01. The isolates are labeled with numbers 1 through 16. Some isolates are identified as *E. coli* or *E. faecalis*. The tree shows that isolates 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, and 16 are all closely related, with some isolates forming distinct clusters.
